GUARDIANS

Built to Adapt, Limitless Possibilities

Meet the Kinetas designed to bring effortless elegance and precision lighting to your space. With a compact, modular design, a single LED module easily pairs with multiple mounting rings, giving you the flexibility to create the perfect lighting for any setting. Whether it is a hotel, a stylish residence, or a commercial space, Kinetas adapt seamlessly to your needs. Choose from round or square designs, adjustable or fixed options, and a range of wattages to craft a lighting experience that's as unique as your vision.

LED Module

Modular design allows for easy swapping of beam lenses or the addition of a honeycomb filter or soft lens.
