

SILENCIO KIT

LINEAR LED LIGHT ACCESSORY

Acoustic Housing for G5 and SPT

Designed to enhance sound quality and reduce noise in bustling environments, the SILENCIO features advanced sound-absorbing materials, ensuring optimal acoustic performance for spaces such as offices, conference rooms, and open-plan areas. These panels are fixed to the linear housing, offering a sleek and modern aesthetic while effectively dampening ambient noise. Easy to install using adhesives, the SILENCIO Series provides a versatile and efficient solution for creating quieter, more comfortable spaces.

Applications: Art Galleries | Office | Retail Stores | Hospitality | Education
